Description

Starting point: gondola bottom lift station. The steadily ascending so called Bärensteig leads up to the catered mountain hut Stalderhütte or the catered mountain hut Hochzeigerhaus. A wide path over alpine pastures continues to the catered mountain hut Tanzalm. You can comfortably return to the valley by gondola. Optionally you may also walk via the Innerwald (walking time: 1.5 hrs) or Rodelweg path (walking time: 2 hrs). For those two options the starting point would be Kaitanger.
