Long-distance hiking trail

 E5

Description

For all those who wish to master the E5 without using any public transport or mountain railways the hike starts at the valley station of *Venetbahn* gondola in *Zams*. Ascend to the top station of *Venethbahn* following the *Ladner Steig* trail. Once there, follow the panoramic trail to the catered mountain hut *Gogles Alm* at 2,017 metres above sea level. Continue on the path behind the hut towards the catered mountain hut *Gallun Alm*. Once there, descend to the catered mountain hut *Larcher Alm* and continue along the so called *alter Almweg* [old mountain hut trail]. This trail passes the hamlet of *Winkl* and leads to the village centre of *Wenns*, which is your destination for this day.
