Follow the path downhill to the second crossing. There are two alternative routes from here to the catered mountain hut *Braunschweiger Hütte*.

1st route: follow the path further downhill until you reach the hamlet of *Plangeroß*. Once there, follow the valley trail [Talwanderweg] to *Mittelberg*.

2nd route: Hikers with alpine experience can follow a high route, the so called *Cottbuser Höhenweg*, which is partially equipped with fixed ropes until you reach the top station of *Riffelseebahn* gondola. Continue hiking down to the catered mountain hut *Taschach Alm* and then descend to *Mittelberg*.

Both variants of the hike join up again in *Mittelberg*. Once there, continue the last 1,000 metres in altitude up to the catered mountain hut *Braunschweiger Hütte*.
