Long-distance hiking trail

E5

Description

Take the *Venetbahn* gondola up the first section and then follow the path to the first summit, the so called *Glanderspitze*. Once there, continue hiking along the ridge across the *Wannejöchl* until you reach the *Kreuzjoch*. Follow the path downhill in the direction of the catered mountain hut *Larcher Alm*. When the path joins a forest road turn left to *Larcher Alm*, which is an ideal stop for some refreshments. Continue hiking along the so called *alter Almweg* (old trail) past the *Winkl* hamlet to the village centre of *Wenns*. From there, catch the public bus to *Mittelberg Wendestelle* [turning bay] bus stop. Follow the agricultural road in the direction of the catered mountain hut *Gletscherstube* for the last 1,000 metres in altitude. The road then leads to a steep path up to the catered mountain hut *Braunschweiger Hütte*. You have reached your destination for the day!
