Description

Starting point Wiese: Approximately 100 metres before the hamlet Wiese, follow the agricultural road to the catered mountain hut Söllbergalm. Once there, a trail leads on through larch and pine forests on a continuously steep trail in the direction of Lake Brechsee. After a 30 minute walk, turn off in the direction of Stallkogel – Mauchele Alm. Then you will come across a newly built, moderately steep trail starting at the catered mountain hut Mauchele Alm. After following the red road markings for approximately 500 metres turn left and walk uphill across rocky terrain towards the catered mountain hut Neubergalm. (Please note that you will have to be sure-footed and unafraid of heights for this section! However, you will be rewarded with beautiful views of the valley). After Neubergalm, a shaded trail leads through mixed woodland to the beautifully set catered mountain hut Tiefentalalm. Then you can choose to return on a trail via Wald or via the agricultural road past the viewing platform of the “Gschwandbach” waterfall towards Scheibe. The agricultural road in Scheibe takes you back to Piösmes.
