Description

From the car park of Riffelsee gondola cross the bridge and turn left to walk on the wide agricultural road up to the catered mountain hut Taschach Alm. From there follow the road in the direction of Taschachhaus for a short stretch. Straight after the first bridge a path forks of to the left through the Mittelbergler forest to the valley station of the glacier express and from there on to Mittelberg. Since 2019, then follow the newly built "Pitztaler Sagensteig" [path of Pitztal's legends]. Find out about the myths and legends of Pitztal at five stops along this path up to the catered mountain hut Gletscherstube at the foot of the Mittelberg glacier. You can return back to Mittelberg via the same path or follow the agricultural road or the Talwanderweg [valley hiking trail] to Mandarfen.
