**Parkmöglichkeit beim Parkplatz Galtwiesen.**

## Description

After approximately 200 m from the Galtwiesen car park you reach the Jausenstation Waldeck, where the wild animal adventure trail commences. The trail shows interesting facts regarding the life of native wild animals. Do you know the tracks of the different animals? Do you know how far numerous animals can jump? You can discover and experience all this and much more at the different stations. This adventure trail is an adventurous hike into the animal kingdom, especially for children. You will need approximately 1.5 h including various stops at the stations, where you can take a look and be amazed.
